ISSUE: US Missile Strikes on Syria

President Trump is promising imminent U.S. missile strikes on Syria. But Senator Tim Kaine, Senator Mike Lee, and the Congressional Progressive Caucus have a different idea. They are invoking the Constitution and the War Powers Act, which says that Congress, not the President, decides when to use military force. Missile strikes on Syria will only cause more death and destruction. Please contact your congressional representative asking him/her to sign the Lofgren-Amash letter to stop an unconstitutional strike on Syria. We stopped an unconstitutional military attack on Syria in August 2013 when 200 Democratic and Republican House Members signed letters to the President, saying under the Constitution and the War Powers Resolution you have to come to us for authorization before striking Syria. We must do this again.

PRAYER:

Loving God, source of all compassion,
the promise of your mercy and saving help fills our hearts with hope.
Hear the cries of the people of Syria;
bring healing to those suffering from the violence,
and comfort to those mourning the dead.
Empower and encourage Syria's neighbors
in their care and welcome for refugees.

Convert the hearts of those who have taken up arms,
and strengthen the resolve of those committed to peace.
God of hope, your Holy Spirit inspires us to look beyond ourselves and our own needs.
Inspire leaders to choose peace over violence
and to seek reconciliation with enemies.
Inspire the Church around the world with compassion for the people of Syria,
and fill us with hope for a future of peace built on justice for all.
We ask this through Jesus Christ, Prince of Peace and Light of the World,
who lives and reigns for ever and ever. Amen.
