

Prayer for the Journey

May the God of the journey
be with us,
calling us to be Gospel people
filled with creative energy,
blessing us with the power of the seed,
who in its dying, rises to new life.

May the One who is both our
pilgrimage and our destiny,
companion us as we look to a
future filled with hope,
and may our willingness to
walk God's path of justice and peace,
encourage others to journey with us.

May the Blessings of the
Journey be ours!

Seton Associate Prayer

Loving God

**You blessed Elizabeth Ann Seton
with a desire to do your will.**

**She sought you in her charity
and found you by her faith.**

**Following her example
and through her intercession
may we draw closer to you.**

**Continue to bless the
Sisters of Charity of Saint Elizabeth
and all Seton Associates
as we strive
toward boundless charity
in our daily lives.**

Amen
