SISTERS OF CHARITY AND SETON ASSOCIATES DONATES SamBags

Seton Associate Dolores Banicki lost her son, Sam, to a substance use disorder that caused extended periods of homelessness. She and fellow members of the Seton Associates created “SamBags” in his memory. These bags contain toiletries, socks, and other essentials for people experiencing homelessness. Donna Fico and Sister Eileen Clifford, SC, are shown donating SamBags to Eva’s Kitchen shelter in Paterson, NJ.

Sisters at the Motherhouse help in assembly of the SamBags.
