

Sister Mary Fallon, SC

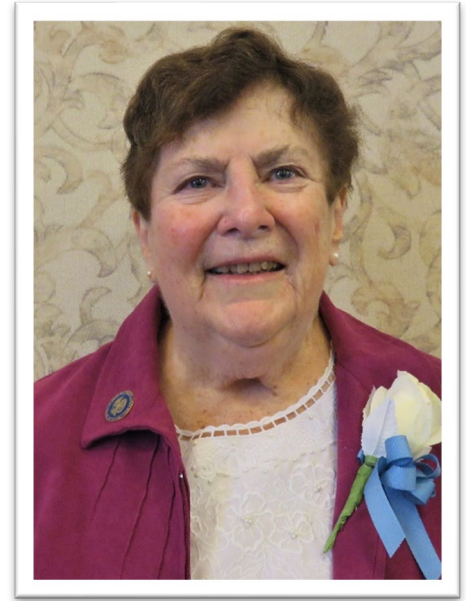

Entered eternal life on August 9, 2024

Sister Francis Alice, born February 7, 1941, went to heaven on August 9, 2024. Later, during her vocation, she changed her name to Sister Mary Fallon. Mary entered the Sisters of Charity of Saint Elizabeth on August 20, 1958.

Today would have been Mary's 66th anniversary of the day she entered the Sisters of Charity. How apropos is it that we're all here at Convent Station to celebrate Mary's life on earth. Celebrating here today is her family from Cape Cod and Chicago, her fellow Sisters of Charity who have touched and mentored her during her career as an educator. I'm sure every person here today, including Msgr. Rich and Fr. John, could tell us a story of how Mary touched their lives in many different ways. For that, her family will be eternally grateful.

For all of you that knew Mary, you also knew she didn't stray from her roots in Boston. Fifty-two years ago, my wife Marie and I packed up our family and moved to Chicago, where we now live with our four children and five grandchildren. My children and grandchildren along with Ann's children and grandchildren all grew up with a very special Aunt Mary. She was a very intricate part of our lives, and we will really miss her, but all of our memories of Mary are literally off the chart!

Thank you, Sisters of Charity, for taking such good care of my sister. Mary, we love you. Rest in peace.
